Primeras ideas, bocetos que surgen y adquieren vida propia, que cambian y se adaptan a las reflexiones. Cálculos, pruebas, nace un prototipo, el germen de un nuevo diseño.

Preliminary outlines, sketches that arise and take on their own life, that change and adapt to later thoughts. Calculations, tests, a model, it is born the germ of a new design.

Nace LAB arturo alvarez, un laboratorio de ideas abierto a los diseñadores
En el año 2008, empujados por nuestra inquietud y constante búsqueda de la innovación, creamos LAB arturo alvarez, un marco nuevo, un laboratorio de ideas para dar cabida a la sensibilidad de otros diseñadores y también del propio Arturo Álvarez, conjugando el ingenio, la innovación y la experimentación técnica y formal con el estilo propio de nuestra empresa.
